Manhasset Bay Interclub Frostbite Fleet Information **2007-2008 Season**

Try out arrangements

Any non member sailor may sail with the Fleet AT NO COST for 2 Sundays. Sailors may bring their own boat or use one of the club boats.

Boat Availability

The Fleet has Interclubs that are available for CHARTER as well as for SALE. Arrangements can be made through Pedro Lorson or John Silbersack.

Scoring

Season and Championship sailing will be scored on a high point basis. The Skipper with highest percentage scores wins. The percentage is derived by the numerator representing the number of boats beaten plus 1 point for starting and 1 point for finishing, and the denominator is the total number of boats raced against. All races are scored as if there were 10 boats competing.

Qualifying

A Skipper must sail at least 51% of the races to qualify for any season or championship awards. Qualifying races will be awarded to any skipper that participates in other IC Fleet regattas. The number of qualifying races awarded will those sailed by the MBYC fleet while the skipper was competing in the other IC Fleet regatta.

History

The First Annual Regatta of the Frostbite Yacht Club took place on January 2, 1932 at the Knickerbocker Yacht Club in Port Washington, L.I. Since 1933 it has been held every New Year's holiday at the Manhasset Bay Yacht Club. The Frostbite Yacht Club is a "virtual" club that comprises all the frostbiting fleets in the North East. Its annual meeting is held following racing at the New Years Regatta at MBYC. The burgee of the Frostbite Yacht Club is a white polar bear on a blue field.
