Cedar Point Yacht Club**

Nathan Cowan became the Head Coach at Cold Spring Harbor Beach Club two years ago. He planned to return this summer, but was killed in a tragic car accident on his way to the Laser Mid-winters on February 16th. Nathan was an extraordinary young man. He would have graduated this year from Queens University with a dual degree and already had one Olympic Laser campaign under his belt. Nathan is remembered by many for his active participation in JSA, his eagerness to help and share new ideas, and the friends he made all over Long Island Sound. Oskar Johansson, his best friend, Olympic training partner and business partner, has organized a clinic in Nathan's memory. All clinic coaches are donating their time. All proceeds will go to the Nathan Cowan Memorial Fund.

Cost: Donation - \$55 suggested minimum. Amounts in excess of \$55 are tax deductible.

Questions: Call JSA office at 914-834-4202

Reservation Deadline: 7/19/2002
